ORDER YOUR COPY TODAY!

When Aziel Jones, a preacher's kid from Alabama who served in WW2, and Marian Westling, a city girl from up North, were married, they had two goals: to reach a tribe for God and to raise a family for God. **Double Vision** is the remarkable story of what God can do when two people are wholly committed to Him.

You will be inspired by reading about God's faithfulness in fulfilling the double vision of the Joneses.
